Subject: LPR 17 Mile - Update

Sending around my laundry list of things that we have for the next couple of weeks. Please feel free to forward around and respond with comments/status on this list. I want Michael to have an easy reference list for things while he's covering for Diane. :)

1. RAO's

23 Apr - 0900 eastern; we have call to discuss. Toll-free number: +1 (844) 566-5330,,95815691# Aaron - I think you are sending around response to the comments Diane provided (by today COB?)

2. CSTAG

19 Apr - Diane sent back comments to Karl w/o 23 Apr - expect the final CSTAG memo; Michael or Diane will distro

3. CPG Meetings

24 Apr?? Time?? EPA meeting with CPG - not sure on these details - Diane could you share?

NOTE: Aaron - I have volunteered you to attend with Michael if he wants; stay tuned. If you have schedule conflicts that day - could you respond? Not sure anyone will go with him, but I offered.

25 Apr - 0900-1100 eastern -- 202-991-0477 CONFERENCE ID 5524666 - Prep call for full CPG meeting

NOTE: I will be at the airport and would like to know if we can start at 930 eastern so I can join on time :)

30 Apr - 1000-1500 eastern; K&L Gates/Newark

Full meeting with EPA, CDM team, CPG --

Diane noted CPG is preparing agenda - maybe that's subject of 24 Apr meeting? Would be good to have for our 25 Apr call.

4. RI

17 Apr email from Scott K with suggested text for email to DEP regarding their review schedule on portions of RI

ACTION: Michael - I'll forward you that email and if Diane has not sent to DEP, maybe you could do this. We are waiting on DEP comments for several sections.

5. CAG

10 May -- CAG

19 Apr email from Diane ask for draft slides on CSTAG comment recap and SWAC/RAL ACTION - let's get dates to Michael/Diane on when we can have draft slides and a dry run to go thru them; keeping in mind we'll need allow ample time given Diane is time-challenged :)

Thanks all! beth
